PPE Category II

Sizes : 6 to 11

100% grey polyamide seamless knitted glove with elastane. 15 gauge. Micro-alveolate black nitrile coating on palm and fingertips. Elastic wrist.

THE + PRODUCT

COMFORT

The knitting in polyamide / elastane provides a perfect ergonomics and so an excellent comfort.

GRIP

The micro-alveolate coating acts like thousands of micro suction pads; this provides an exceptional grip on dry, wet and oily elements.

SEALING

The nitrile coating offers a good tightness against humidity, oils and grease.
